7th Annual Good Shepherd Center Golf Tournament

Over the last six years, many of our friends in the business community have participated in the annual spring golf tournament to benefit Good Shepherd Center. This event has raised $450,000 for Good Shepherd Center programs since 2003.

You can help us reach our goal by serving as an Event Sponsor or Team/Individual Champion.

Sponsors will be acknowledged at the Tournament and all associated events, in the event program, on event signage, and in the Star News. With 27 holes and slots for 160 golfers, this event offers particularly positive and far-reaching awareness of your support! Champions will be recognized in the Tournament program.
