Annual Report 2017-18

## Good Shepherd Center

*A hot meal. A warm bed. A return path to housing.*

Dear Friends of Good Shepherd,

It is always heartwarming to reflect on another year and share its many highlights with each of you. Our donors and volunteers, congregations, foundations, and public supporters make this work possible. Our success is your success. We hope you share in the victories, large and small, that we see every day.

Good Shepherd's special events continued to be well-attended and allowed us to raise much-needed funding to support our programs. For those of you who attended Flavor of NC last fall, you got a taste of what it really feels like to be out in the cold. Thank you for braving the elements with us! Together, we were reminded that our homeless neighbors have to contend with weather and so much more. Thanks to each of you, they have a place of refuge that is safe and warm.

We enjoyed our 9th Empty Bowls event in March to support both Good Shepherd and Mother Hubbard's Cupboard. If you missed this ever-popular event, mark your calendars for March 20, 2020 when we return with more beautiful bowls donated by local potters and enjoy soups from local restaurants.

Our visionary leaders—Good Shepherd Center's Board of Directors—welcome new members and bid farewell to those rolling off after two terms. We are blessed to have men and women with diverse backgrounds who ensure that Good Shepherd and all of our programs—the Day Shelter, Night Shelter, Medical Clinic, Soup Kitchen, Second Helpings, Sgt. Eugene Ashley Center and SECU Lakeside Reserve, remain strong and viable for years to come. We thank them for their dedication, time and service as we continue to stand upon their shoulders.

We encourage you to stop by. Bring a friend, take a tour, see how your support truly impacts those we serve. Together we are changing the lives of our hungry and homeless neighbors. Please enjoy the highlights in this Annual Report. They are all of our stories.

With heartfelt thanks,

Katrina R. Knight  
Executive Director

Kate Woodbury  
Board Chair

### SOURCES OF FUNDING

### BY THE NUMBERS.....last year,

**89,895 meals** were served to the hungry through the Soup Kitchen and to rehoused seniors and persons with disabilities through the Food Box Program.

**919,881 lbs. of food**, or 460 tons, were salvaged and redistributed to the hungry through the Soup Kitchen and through weekly distribution to 16 other community programs that feed the hungry. This is food that would otherwise have been thrown away!

Over **580 homeless adults** were served by the Day Shelter with showers, clothing, telephone, and medical care provided.

Over **540 homeless adults and children** received a bed and a hot, nutritious dinner through the Night Shelter.

**30 homeless Veterans**, 12 with disabilities, were housed at the Sgt. Eugene Ashley Memorial Center.

**187 homeless guests**, including 18 families with children, were assisted in transitioning back to housing stability, residing in their own home instead of continuing to live in a shelter, a car, an abandoned building, in the woods, or on the street.

**All of this was made possible because of YOU. Your continued generous support will allow us to increase these numbers next year!**

## Good Shepherd Center Annual Report 2017-18

### *Happy Days at Good Shepherd Center*

**WHAT DOES YOUR SUPPORT  
TO GOOD SHEPHERD MEAN?**

**It means having a bed to sleep in with a roof over your head instead of sleeping on a bench, under a bridge, or on the street.**

**It means a hot, nutritious, and tasty meal instead of the aches and pangs of hunger.**

**It means a shower, a shave, and a toothbrush.**

**It means a doctor, a nurse, and medication when you're not well.**

**It means a clean shirt, socks, shoes, gloves, and a coat in the winter.**

**It means hope for the future.**

### *Sgt. Eugene Ashley Center*

In October of 2017, the Sgt. Eugene Ashley Center moved from a transitional housing approach to the new industry best practice, Bridge Housing.

Designed in keeping with the “housing first” model, Bridge Housing is a low barrier, short-term solution for homeless Veterans who have been offered and accepted a permanent housing intervention but are still working on access to that housing. Length of stay is determined individually on a case by case basis, but is generally not expected to exceed 90 days.

Since its inception in 2001, the Ashley Center program has succeeded in returning 92% of participating Veterans to permanent housing.

In addition to the 16 units of Bridge Housing, the Ashley Center continues to house 8 homeless Veterans and other men with disabilities in the Permanent Supportive Housing wing of the Center.

### *SECU Lakeside Reserve*

*Meet Meg!*

Meg Yeates joined SECU Lakeside Reserve as Case Manager earlier this year. She holds a Master's in Counseling and has experience working in mental health and with persons with disabilities.

At Lakeside, Meg provides supportive services to our residents, connecting them to community resources, assisting them in working toward personal, health, and income goals, and facilitating their transportation to medical appointments. More than anything, Meg fosters residents' empowerment and enhances their ability to remain stably housed despite individual challenges.

*Meg Yeates*

As we approach the first anniversary of the opening of SECU Lakeside Reserve, the first 16 units remain fully occupied by formerly chronically homeless individuals—including four Veterans, four women, and three seniors.

Later this summer we will turn our attention to Phase II—the addition of the final 24 units. We are so grateful to all of you who contributed to making Lakeside a reality. Together we are transforming lives and providing a real solution to ending homelessness.

## *Meet Miss N* **Successfully Rebuilding Her Life and Family**

Miss N was a single mom living with her own mom when she lost the job she had held for over 8 years. When Miss N's mom passed away before her 54th birthday, Miss N says she "lost her train of reality." With no job and no support system, she started abusing drugs and lost her two sons to foster care. She knew her mother would not be happy with who she had become and she wanted to make a change.

Miss N began to pray for guidance and joined her church and their choir in the hopes that her singing would reach God. "I didn't like what I looked like," Miss N said, "and knew I wasn't being fair to my sons." She added, "I made a promise to God and didn't want to disappoint Him."

That promise included finding her way, through a referral from a social worker, to the front door at Good Shepherd. Miss N not only needed to find housing, but sobriety, a way to get her sons home, and a job so she could pay rent. Working closely with Good Shepherd's case manager, Miss N started working on her resume and cover letter. With her "customer service personality" she was a natural for working in a call center. She also signed up for classes at Cape Fear Community College and walked from school to her job!

While at Good Shepherd, Miss N was known for her positive attitude and enjoyed helping others who were also in crisis. "It's a wonderful feeling," Miss N says, "when you can find your strength from inside. It's in the hard times that God preps you to be stronger. Even a seed has to be in a dark and cold place in the soil in order to become a beautiful flower or magnolia tree."

Today Miss N is enjoying her work, her new apartment, and being reunited with her two sons. She wants everyone to know that "you can still be blessed and believe in God even when you're not in the best place in your life." She feels certain she has made her mom proud!

Miss N
