Annual Report 2022-23

## Building on 40 Years!

Dear Friends,

As we celebrate our 40th anniversary, we are proud of all that Good Shepherd has accomplished on behalf of those in need and we are excited about new opportunities to end the homelessness of more seniors, Veterans, families and others in crisis. We may be a little exhausted from experiencing the highest demand for services in our organization's history this past year! But mostly, **we are grateful**. We are grateful and we are humbled that today, just like 40 years ago, so many people of varying backgrounds, ages, and beliefs come together each day in service to their neighbors, giving so generously of their time and treasure, because they believe that our community can and should be a place where no one goes hungry or without a place to call home.

Throughout this report are highlights of our programs and services from the past year, as well as events and initiatives that provided essential funding for our operations. The photos reflect just a few of the thousands of community members who make our mission *to feed the hungry, shelter the homeless, and foster transition to housing* a reality. We appreciate every one of our donors, sponsors, partner agencies, volunteers, and friends more than words can say, and we hope you know that the outcomes and impacts reflected in this report would truly not be possible without your encouragement, partnership, and support.

On behalf of our Board of Directors, staff, and most importantly all those we serve, thank you for being a part of our Good Shepherd family.

With gratitude,

Katrina R. Knight  
Executive Director

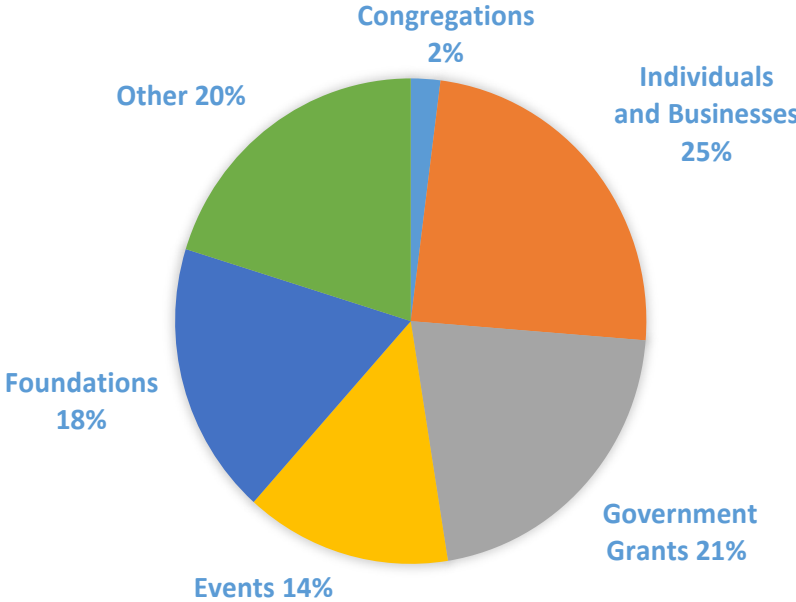

Jerry Hurwitz  
Board Chair

## Looking Forward – Home For Good: A Campaign For Permanent Solutions

Home for Good is an ambitious capital campaign that will:

- **Create and preserve** more than 70 apartments for chronically homeless individuals with disabilities, including seniors and Veterans;
- **Expand** our homeless services campus, including a family shelter with increased capacity, dedicated play space and rehousing supports; and
- **Build** on 40 years of service to the Cape Fear community using Best Practice, data-driven interventions to help homeless individuals and families transition to permanent housing, stability, and an improved quality of life.

*Home for Good* is our vision – a community without hunger and homelessness – in action. Whether through advocacy, volunteer time, or financial contributions, many of you have already stepped up and expressed your commitment to our campaign since its launch in September of 2022. This early support has been encouraging for our staff and Board of Directors, as well as future prospective donors, and we are excited to share with you the following updates:

### Driftwood

**January 2024**

Through a partnership with Cape Fear Collective, Good Shepherd will provide on-site case management and supportive services to the chronically homeless residents with disabilities at this soon-to-be-renovated 15-unit Permanent Supportive Housing community.

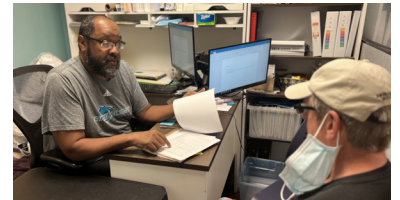

### 3939 Carolina Beach Rd.

**Goal: Groundbreaking  
Summer 2024**

3939 Carolina Beach Road, formerly Wilmington Fire Station 6, will be the site of 32 Permanent Supportive Housing apartments. We are grateful to the City of Wilmington for donating this property to Good Shepherd Center in an effort to end the homelessness of our most vulnerable neighbors.

### 812 Martin Street

**Goal: Groundbreaking  
2025**

Just across the street from our main building on Martin Street, Good Shepherd plans to expand our campus to increase and improve the variety of 24/7 services we provide to men, women, and children experiencing homelessness. An expanded family shelter with indoor and outdoor play space, classrooms to host life skills courses, and additional case management space is just one of the offerings this second building will provide to those we serve.
